Welcome from the Division of Student Services and Engagement

Wildcat Proud! Our goal for this year is a Wildcat Nation emanating with pride for our historical institution as we stand united behind the values, core principles, and mission that originated from its founder who proclaimed: “We have a powerful potential in our youth, and we must have the courage to change old ideas and practices so that we may direct their power toward good ends.” Mary Mcleod Bethune

Welcome! As you embark on your own journey of academic and personal growth, we want to assure you that you have a team of advocates, mentors, peers, and coaches who stand ready to bring their life experiences, professional expertise, and knowledge of what success looks like at Bethune-Cookman University (B-CU). To take full advantage of all that is available, we encourage you to engage in the many opportunities around campus and in the local community to include organizations, causes, charitable events, and volunteer work. If you don’t know where to start, we encourage you start by asking questions. You could truly gain momentum by doing so through B-CU’s student organizations, Wildcat Connect, the student handbook, social media, administrators, and educators.

Set yourself up for success through proactive measures to include the use of the Wildcat App. Be certain to know and use the E2 Emergency Alert System. Keep your records up-to-date with personal contact information, and stay current on critical factors impacting your academic, personal, and professional growth.

Finally, this is your experience. We encourage you to do all you can to make it as rewarding as possible. You are your best agent in developing and marketing your potential and seeking out the tools needed for your ultimate success. Set realistic and smart goals. Protect your image. Seek out a strong network and surround yourself with positive role models who are engaging and provide a challenging environment to help you become your best self – then pass on those lessons to help others become equally successful.

We look forward to a great year in the Wildcat Nation. Most importantly, we look forward to surrounding you with a village to collectively bring out the best in you - and as a result the best of B-CU!

Let’s go Wildcats!

Brief History of Bethune-Cookman University

In 1904, with faith in God, $1.50 and five little girls, Dr. Mary McLeod Bethune embarked on a journey to transform lives and opened the Daytona Literary and Industrial School for Training Negro Girls. The name later changed to the Daytona Educational and Industrial Institute. In 1919, the curriculum expanded and the name was changed to the Daytona Normal and Industrial Institute. In 1923, the institution became a co-ed high school as a result of a merger with the Cookman Institute of Jacksonville, Florida (founded in 1872) and was named the Daytona Cookman Collegiate Institute. The institution evolved into a junior college and was subsequently renamed Bethune-Cookman College in 1931, and in 2007, the institution achieved university status with the offering of graduate programs and became Bethune-Cookman University.

Throughout its existence and evolution, Bethune-Cookman University established a stellar reputation for preparing women and men for leadership and service. Bethune-Cookman University’s academic reputation, dynamic faculty and 82-acre historic campus attracts more than 3,500 students from across the United States and around the world. At B-CU, students receive a liberal arts education in diverse academic programs, including business, education, humanities, the sciences and nursing.

Alma Mater

Dear Alma Mater, thou beloved,
    We pledge our lives to thee,
Thou art results of toil and pain
    And tears come in a stream;
Dear Alma Mater, thou art all
    And all the world to me –
Thou’rt the answered prayer of a dream.

Oh, God, protect dear B-CC*
Crown her with love and cheer;
We’ll ever sing thy praise to Thee,
    It makes us strong and bold.
All hail to thee dear B-CC*
    All hail to thee, all hail!
Hail thee, Maroon and Gold.

_Amen_

(The Alma Mater is observed by standing in place until the hymn is concluded)

*Some alumni may sing B-CU.
University Shibboleth
“Leaning on the Everlasting Arms”
(Lyrics by: Elisha A. Hoffman and Melody by: Anthony J. Showalter)

What a fellowship, what a joy divine;
Leaning on the everlasting arms;
What a blessedness, what a peace is mine;
Leaning on the everlasting arms.

Leaning, leaning;
Safe and secure from all alarms;
Leaning, leaning;
Leaning on the everlasting arms.

Oh, how sweet to walk in this pilgrim way;
Leaning on the everlasting arms;
Oh, how bright the path grows from day to day.
Leaning on the everlasting arms.

What have I to dread, what have I to fear?
Leaning on the everlasting arms.
I have blessed peace with my Lord so near;
Leaning on the everlasting arms.
Dr. Mary McLeod Bethune left a legacy to the college she founded. She also left her *Last Will and Testament*, an everlasting and priceless document of challenge, hope, and responsibility for African-Americans and other people, which states the following:

“...I leave you love. Love builds. It is positive and helpful. It is more beneficial than hate.

...I leave you hope. The Negroes’ growth will be great in the years to come. Theirs will be a better world. This I believe with all my heart.

...I leave you the challenge of developing confidence in one another. As long as Negroes are hemmed into racial blocks by prejudice and pressure, it will be necessary for them to band together for economic betterment.

...I leave you a thirst for education. Knowledge is the prime need of the hour. If we continue in this trend, we will be able to rear increasing numbers of strong, purposeful men and women, equipped with vision, mental clarity, health and education.

...I leave you a respect for the uses of power. We live in a world, which respects power above all things. Power, intelligently directed, can lead to more freedom.

...I leave you faith. Faith is the first factor in a life devoted to service. Without faith, nothing is possible. With it, nothing is impossible.

...I leave you racial dignity. I want Negroes to maintain their human dignity at all costs. We, as Negroes, must recognize that we are the custodians as well as the heirs of a great civilization.

...I leave you a desire to live harmoniously with our fellow men. The problem of color is world-wide. It is found in Africa and Asia, Europe and South America. I appeal to American Negroes - North, South, East and West - to recognize their common problems and unite to solve them.

...I leave you finally a responsibility to our young people. The world around us really belongs to youth, for youth will take over its future management. Our children must never lose their zeal for building a better world.

...I leave you a desire to live harmoniously with our fellow men. The problem of color is world-wide. It is found in Africa and Asia, Europe and South America. I appeal to American Negroes - North, South, East and West - to recognize their common problems and unite to solve them.

...I leave you faith. Faith is the first factor in a life devoted to service. Without faith, nothing is possible. With it, nothing is impossible.

...I leave you racial dignity. I want Negroes to maintain their human dignity at all costs. We, as Negroes, must recognize that we are the custodians as well as the heirs of a great civilization.

...I leave you a desire to live harmoniously with our fellow men. The problem of color is world-wide. It is found in Africa and Asia, Europe and South America. I appeal to American Negroes - North, South, East and West - to recognize their common problems and unite to solve them.

...I leave you finally a responsibility to our young people. The world around us really belongs to youth, for youth will take over its future management. Our children must never lose their zeal for building a better world.

...If I have a legacy to leave my people, it is my philosophy of living and serving. As I face tomorrow, I am content, for I think I have spent my life well. I pray now that my philosophy may be helpful to those who share my vision of a world of Peace, Progress, Brotherhood and Love.”

Student Dress Standard

The Bethune-Cookman University (B-CU) Student Dress Standard is intended to ensure that students have a basic understanding of socially acceptable appearances for the B-CU educational process and to prepare them for the professional setting. Additionally, B-CU has an obligation to create a living and learning environment where all members of its community are comfortable and not offended or distracted by inappropriate dress. The B-CU Student Dress Standard is designed to provide a basic guideline for students and is not intended to infringe upon a student's right to self-expression.
While these are general standards for the University, each College, Department, and Office is afforded the discretion to develop and enforce stricter guidelines based on unique academic and career expectations. Classroom instructors, University administrators and staff have the right to address policy violators and/or deny admission to students dressed in any of the prohibited attire. Students are also expected to adhere to the B-CU Dress Standard at University sponsored events off campus.

Students who fail to abide by the dress standard, when advised by a University official, shall be considered in violation of the dress standard and will be subject to disciplinary action per the Student Honor Code.

**General Dress Standard Expectations:**

The University expects students to wear attire in classrooms and offices that are respectful of themselves and the core values of this institution. Clothing, grooming, and overall personal appearance should be appropriate to academic and/or professional settings.

In general, examples of inappropriate attire include, but are not limited to, the following:

- Du-rags, stocking caps, hats, sun-visors, bandannas, wrap-caps, and hoods in any University building or any formal University-sponsored event (e.g., Convocation, Honors Day, or Founder's Day, President's Assembly). Head covering that is illustrative of a religious conviction or preference is welcomed and acceptable. Students are required to seek approval from the Chaplaincy Department for religious affiliated attire and must take their Student ID wearing such attire;

- Midriffs, cat-suits (fitted full body suits), low-cut tops, revealing mesh, netted shirts, see-through garments, cut off t-shirts, undershirts (slang: wife beaters) (male or female);

- Sheer or provocative garments without proper undergarments; t-shirts bearing profane language or indecent/messages, and cutout or torn jeans that reveal undergarments and/or private parts, even in instances of squatting, bending, or reaching;

- Clothing, jewelry, or other accessories with pictures of drug paraphernalia, or with expressions that condone or sanction the use of drugs;

- Clothing expressing any form of degradation based on gender, gender identity, ethnicity, sexual orientation, or socioeconomic status;

- Missing undergarments;

- Bare feet, house-shoes, or sleepwear in public or common area spaces (including residence halls);

- Sagging pants or sagging shorts;

- Hair rollers, bonnets, or wrap-caps designed for sleep.
Dress Standard Expectations for Events Requiring Business Casual Attire:

- Hats are acceptable for ladies and gentlemen, provided they are not wide-brimmed or are sports caps designed or intended for outside use. Head covering that is illustrative of a religious conviction or preference is welcomed and acceptable. Men should remove any hat when entering a building, during prayer, or during the playing/singing of the national anthem or University Alma Mater.

- Students in professional programs with standard uniforms (nursing, ROTC, e.g.) are permitted to wear these in lieu of standard professional dress.

- Suits and/or slacks that fit appropriately, not showing any undergarments. Denim, shorts, or clothing designed for sleep are considered inappropriate for a business environment.

- Blouse or shirts should preferably be button-down and fit appropriately, not showing any undergarments. Golf shirts are acceptable with appropriate slacks. T-Shirts, sleeveless shirts, hoodies, sports jerseys, or sweatshirts are considered inappropriate for a business environment.

- Professional discretion must be used for shoe selection. High platforms, extremely high heels (above 4"), ornamented runway style shoes tend to appear unprofessional. Open-toed shoes are acceptable. Athletic shoes, slides, open-foot sandals, flip-flops, non-dress - boots designed for outdoor use (such as Timberlands or similar style), or slippers designed for sleep are considered inappropriate.

- Dark or grey pants suits, dresses, or skirts that fit appropriately, not clinging to the body or showing any undergarments or private body parts. The length of any skirt or dress should not be shorter than the fingertips. Denim, rompers, shorts, tights, or jeggings are considered inappropriate.

Dress Standard Expectations for University Business, Assemblies, Chapel, or Events requiring Professional Attire:

Suit: A well-cut skirt suit, dress, or pantsuit in appropriate colors. Examples include Blue (Navy or Dark Pinstripe), Brown, Burgundy (Dark), Gray (Dark or Heather) and Black. Other colors may be worn using professional discretion. Splits should be in the back or side not exceeding 3 inches. Tight skirts, miniskirts, body con dresses or outfits, or extremely tight fitted clothing are unacceptable for professional environments.

Blouse/Shirt: No graphics, low cuts, or missing buttons.

Shoes: No flip flops, slides, house shoes, thong shoes (use professional discretion), athletic shoes, unprofessional sandals, or timberland style shoes. Shoes and belts should match.

Jewelry: Conservative earrings - Studs/Post (Diamonds, Pearls, Gold or Silver) or small hoops earrings (NO Large Hoops) and ONE simple necklace, ring and bracelet. Neck Ties, stay away from novelty ties like cartoon characters or patterns for sports teams

Black is more appropriate for evening events requiring professional attire. Bright colored suits are discouraged.
Dress Standard Expectations for Formal Events:

Understanding the dress codes defined broadly as formal-wear helps you determine what attire is most appropriate. Evening affairs are generally more formal than day-time events.

White tie is the most formal dress code. Men wear tuxedos featuring a black jacket with tails, white bow tie and optional white vest. Women opt for floor-length evening gowns in dark colors.

Black tie calls for a black, blue, or white tuxedo jacket, matching black or blue (not white) tuxedo pants and black bow tie with an optional cummerbund or vest or dressy cocktail dresses, along with the classic floor-length evening gowns.

Tuxedos should be paired with a starched and pleated shirt. White or black bow ties are appropriate, depending on the dress code. If the event's dress code is creative black tie, a patterned bow tie, non-white shirt or patterned vest or cummerbund is appropriate. Patent leather shoes are most appropriate with a tuxedo.

Black tie optional is a notch below black tie, meaning black tuxedos or dark suits may be worn. Cocktail dresses are the typical choice. For black-tie optional events, dressy separates are another choice -- for example, pair a silk blouse with well-tailored pants and a pair of pumps.

Formal events that are not black or white tie specific require dark suits with conservative button-down shirts and ties. Well-cared-for leather shoes pair well with formal outfits.

Gowns or separates depend on the formality of the occasion. Floor-length evening gowns should feature a dressy fabric, such as taffeta or satin. Choose dark colored evening gowns in hues of black, navy and gray for evening affairs. Daytime events during warm months call for lightweight but luxurious fabrics such as silk chiffon or silk crepe.

Knee-length cocktail dresses or the classic little black dress are also appropriate for formal occasions.
General and Academic Appeals

The purpose of this section is to outline all procedures relating to the student appeals process. Included in this procedure are sections on: (I) definitions and explanations, (II) Academic or Non-Academic Appeals.

Definition and Explanation
Student Appeals: A student appeal is defined as a formal request by an enrolled or former student for reconsideration of a University rule or regulation, including the assignment of a final grade.

Academic Appeals

Student Academic Complaint and Grade Appeal Processes
Bethune-Cookman University is committed to supporting the student matriculation process. It is our intent to positively resolve issues, complaints, and concerns that may impact the success of students in meeting student learning outcomes. The complaint and grade appeal procedures provide students with an opportunity to express their perceptions of conditions within the Unit that may be viewed as an impediment to successful progression in the curriculum, as well as to have grades awarded reviewed by an impartial body; and to provide relief.

Student Complaint Procedure:
1. The student should discuss the matter (issue, concern, complaint, condition, etc.) with the instructor directly involved or whom the complaint is being lodged.
2. If there is no relief or satisfaction, the student may submit written documentation of the complaint to the Dean of the Unit, using the Student Academic Complaint and Grade Appeal Form.
3. The Dean will convene the unit’s Academic and Professional Standards Committee. The Committee will consider the matter and make a recommendation to the Dean of the Unit.
4. The decision or determination will be final and binding within the Unit.

Student Grade Appeal Procedure:
Students have the right to appeal the grades awarded in courses. This may include the following but are not limited to the following:

a. Course exams
b. Course tests
c. Course mid-term exams
d. Course final exams
e. Course projects (individual/group)
f. Course papers
g. Course field experiences
h. Final course grades
i. Other assignments

Students will have 3 business days or 72 business hours from the day that grades are posted or
otherwise given to contest a grade. The period in which a grade may be contested will end at 5:00 pm on the 3rd business day after the grade is posted.

1. The student should discuss the contested grade with the faculty person of the course.
2. If there is no relief or satisfaction, the student may submit written documentation and the rationale for the contested grade to the Dean of the Unit.
3. The Dean will convene the Unit’s Academic and Professional Standards Committee. The Student Academic Complaint and Grade Appeal Form must be used. The Committee will consider the matter and make a recommendation to the Dean of the Unit.
4. The decision or determination will be final and binding within the Unit.

Exceptions to Established Policies and Guidelines
Students have the right to request an exception to any of the Unit’s policies and established guidelines. Letters of Exception should be submitted to the Dean of the Unit who will forward the request to the Academic and Professional Standards Committee. The committee will submit its recommendation to the Dean of the Unit.

Non-Academic Appeals

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

- Students should submit to the Vice President for Enrollment Management written requests that identify the record(s) they wish to inspect. The Vice President for Enrollment Management will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Vice President for Enrollment Management, he/she shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student’s education record(s) that the student believes is inaccurate.

- Students may ask the University to amend a record that they believe is inaccurate. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why they believe it to be inaccurate.
  - If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment in writing. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by Bethune-Cookman University to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Loss of Financial Aid Eligibility

Students whose aid eligibility has been suspended due to not meeting the satisfactory academic progress requirements (quantitative and/or quantitative) may appeal the decision. The student must show that extenuating circumstances negatively influenced his/her academic performance during the review period.

The following extenuating circumstances are considered legitimate reason(s) for appealing the loss of financial aid eligibility:

- Death of an immediate family member
- Serious illness or injury to yourself or immediate family member (if you are the primary caregiver)

Regaining Eligibility to Receive Financial Aid

There are two types of appeals:

1. GPA and/or Pace of Progression Appeal
2. Maximum Time Frame Appeal (See “Defining/Calculating Satisfactory Academic Progress” for a detailed definition. Can only be appealed once. Only classes required to complete the
Students are entitled to a maximum of two consecutive appeals when not meeting financial aid eligibility. Second appeals must be based on a reason different from the first appeal in order to be considered. The appeal, submitted through Wildcat Web, must contain the following documents:

1. A typed statement that has been proofread and is free of grammatical errors, signed and dated, from the student, explaining in detail the reason for not meeting the minimum standards for Satisfactory Academic Progress (SAP), the changes that have occurred, and what specific measures/behaviors/practices are being taken in order to improve academic performance and meet the minimum standards by the end of the review period.
2. Documentation of the extenuating circumstance(s) that occurred during the review period. (Financial Aid/SAP Appeals with no documentation submitted will be considered incomplete and will NOT be reviewed).
3. A revised academic plan submitted with the assistance of your success coach, your academic advisor, or your graduate advisor that specifically indicates what courses (and the necessary grade(s)), and interventions the student is required to perform to be considered making progress toward regaining eligibility for financial aid.
4. Appeals that are incomplete, have missing signatures and/or lack proper documentation will not be considered and will be automatically denied. Students may resubmit by the appeal submission deadline or the next semester’s deadline. Awards cannot be paid retroactively for the semester(s) during which eligibility was lost.

**Housing and Residence Life Appeals**

**Housing Appeal Process: Community Damage Billing**

- Prior to posting community damage charges to your student account, you have an opportunity to assist us in identifying those responsible for vandalism. An email will be sent to your BCU email account reporting the damage and associated billing charges. You have until a predetermined date to either accept responsibility for all or part of the damage, or provide information leading to the adjudication of the person(s) responsible for the damage. If no community member steps forward, the charges will be distributed among all members of the community. Fees will not be placed on your student accounts until a minimum of $5.00 has been reached. This may occur immediately, at the end of the semester or even at the end of the academic year, pending the amount of unidentified damages within your area. Please contact a member of the Residence Life staff or the Associate Dean for Housing and Residence Life if you have any pertinent information related to identifying the responsible person(s).

**Housing Appeal Process: Individual Damage Billing**

- To appeal an individually billed damage charge, you must submit a written explanation to the Vice President for Enrollment Management within 5 working days of receiving notification of the damage charge. If the appeal is granted, any interest charge related to the damage fee will be waived as well. If the appeal is denied, your student account will be billed. During the semester in progress, the individual damage billing appeals process for that semester is ongoing. For charges assessed after the close of a semester, students have two weeks after receiving the damage billing to appeal. All appeals will be accepted for the prior semester until the posted deadline. If the
appeal is granted, any interest charge related to the damage fee will be waived. If there are any questions, please contact the BCU Housing and Residential Life, or the Vice President for Enrollment Management.

Traffic/Parking Appeals

All citations must be appealed in writing, via e-mail, within seven (7) days to the Parking Services Coordinator so that a hearing date may be set. Your reason for requesting the hearing must be outlined. The following defenses will not be acceptable at an Appeals Hearing. If any of them are your reasons for requesting an appeal, the request will be denied.

1. It was not me who improperly parked the vehicle.
2. I never received a copy of the ticket.
3. I just parked there for a minute.
4. There was nowhere else to park.
5. I was late for class.
6. I was sick.
7. I didn’t have the money to buy a decal.

Honor Board Appeals

The accused student shall appeal via the online electronic submission within five business days after notification of the decision of the hearing panel. A student may appeal on the following grounds:

- A procedure was not followed.
- A claim that the decision of the hearing panel was clearly erroneous.
- A claim that the sanction(s) imposed was (were) overly harsh or inappropriate (only sanctions of suspension or expulsion may be appealed).
- New evidence being presented, not available at a previous hearing that could exonerate the student.

Appeal requests may be denied in cases not having sufficient grounds in one or more of these areas. All appeals must be submitted via the online Student Appeals Electronic Form located on the Vice President for Enrollment Management webpage, under Student Affairs.

Student Life at Bethune-Cookman University is the centralized hub for student resources and activities. It encompasses:

- Recreational Services
- Student Activities and Involvement

**Student Activities and Involvement**

Student Activities and Involvement is an office within the Department of Student Life. The purpose of this office is to address the needs of the total student by providing opportunities outside of the classroom that will stimulate social and cultural awareness and physical wellbeing. Event Planning and Facility Use

Organization Events
An organization event is defined as any activity or gathering that can be reasonably associated with an organization by one or more of the following:

- A significant number of attendees are members of an organization;
- The event, activity, gathering is held at a location reserved for, owned by, rented by, or otherwise associated with a registered student organization;
- Promotional material associates the event, activity, or gathering with a specific registered student organization;

All registered student organization events using the Center for Civic Engagement may be reserved through the Event Service Office. All registered student organizations must first register their events by completing the Event Request Form through Wildcat Connect. Groups failing to do so will not be processed until Event Services receives the electronic request. Recognized student organizations and University departments may not serve as fronts (sponsoring a Non-affiliated organization and failing to inform at the time of the reservation) to circumvent policies for off-campus organizations. If fronting is discovered, Non-affiliated renal rates will apply and reservation privileges will be impacted.

Persons who use these facilities are expected to abide by the Michael and Libby Johnson Center general policies and other university regulations. The Student Life department reserves the right to add or change these policies. Please refer to our website for complete information on the Michael and Libby Johnson Center facilities including policies, procedures, fees and services.

Reserving Campus Facilities and Equipment
Event Services reserves space for meetings and programs along with equipment within the Michael and Libby Johnson Center for Civic Engagement for registered student organizations and/or University Departments. Event Services is located in Suite 6. Per the Equipment Rental Policy, Event Services does not permit recognized Student Organizations and/or University Departments to rent items for use at events outside of the building. ALL equipment housed within the facility is strictly for use within the facility. A list of those items are outlined within the policy.

Starting & Maintaining Student Organization Registration
How to Register a New Student Organization
With over 70 active student organizations on campus, there are many opportunities for students to get involved. Occasionally a student is not able to find an existing organization that meets their desire. In this case, any full-time Bethune-Cookman student is eligible to start an organization. All organization requests are thoroughly reviewed. Approval is contingent upon completing the annual renewal process. A critical point to consider when deciding to start a new student organization…”How your proposed organization differs from other existing organizations and how your organization will enhance the Bethune-Cookman community.

Student Organization Annual Registration
The procedures for Annual Student Organization Registration have changed slightly from past years, so please read carefully to insure you fulfill all the requirements to remain a Registered Student Organization.
Student Organizations Rights and Responsibilities
A registered student organization is a group of students joined together by a common cause, interest or purpose who has completed all four steps of the renewal application process. All recognized student organizations have the following rights and responsibilities:

- Student organizations recognized by the University have a responsibility to conduct their activities and programs in a manner that is consistent with the goals, purposes, and values of Bethune-Cookman University and abide by University policies and procedures.
- The life of an organization is reflected in its membership, acting collectively and/or individually in fostering the goals, purposes, activities, and identity of the group. Members have responsibilities to their organization to conduct their personal behavior in a manner that does not negatively reflect on the organization, particularly in matters that can be related to the functions and activities of the organization.
- The organization is expected to educate their members on the appropriate and legitimate ways in which the individual member is to foster the organization’s existence at the university and to
take organizational action when the individual fails to adhere to the standards of the organization or the university.

- An organization may be held responsible for a member’s behavior when that member’s behavior is demonstrably related to the organization’s life and draws attention to the organization rather than to the member as an individual student. Such behavior includes, but is not limited to, actions of organization’s officers, discussions, and announcements at organization meetings or via organization social media/email list serves, or when it has been alleged or determined the member was engaged in the active promotion.

In such instances, alleged violations may be brought against the organization as a whole and the student organization President, or the equivalent thereof shall serve as the organization’s representative in a hearing.

The Student Honor Code supersedes any and all regulations and/or decisions made by student groups and organizations and their affiliates.

The University reserves the right to recognize all student organizations. The purpose of recognition is for B-CU to acknowledge an organization’s presence on campus and assist in the formation and overall operation of student organizations. Student Activities maintains all current information about each organization including officers, email and website addresses, mission/purpose, constitution and advisor information.

Student Activities is responsible for establishing and enforcing policy concerning student organizations and activities. All student organizations are subject to the rules and regulations governing the University found in the Student Organization Handbook. It is vital that all student leaders and student organizations are familiar with the policies within the handbook.

All contact information for student organizations is housed in Student Activities and Involvement located in the Michael & Libby Johnson Center for Civic Engagement (CCE). Anyone wishing to obtain information may stop by Student Activities and Involvement, explore the website or send an email: student_involvement@cookman.edu.

Fraternity and Sorority Life
Fraternity and Sorority Life plays an integral part in the campus community. At B-CU, two governing councils exist: the National Pan-Hellenic Council (NPHC) and the Service and Professional Organizational Advisory Council (SPOAC). They contribute significantly to the quality of student life in a number of ways:

a) Providing opportunity for students to develop leadership skills through involvement in a variety of programs and activities,
b) Encouraging and fostering team building and group cohesion,
c) Striving for academic excellence, and
d) Performing volunteer service on-campus and in the larger Daytona Beach community.

These outcomes are parallel to several University objectives and Bethune-Cookman University welcomes the presence of these groups on campus with the clear expectation they will abide by all University policies and regulations governing their behavior.
To the extent that the activities of fraternities and sororities conform to University expectations and fulfill the University mission, they will continue to enjoy all privileges and courtesies extended to them as registered student organizations. Each organization’s chapter exists on campus as a courtesy to their respective national organizations. At all times, it is expected that the chapters conform to and assist with upholding of all University policies and protocols. Regarding campus suspensions of fraternities, sororities and social fellowships, the University makes no distinction between the chapter of a fraternity/sorority/social fellowship and the fraternity/sorority/social fellowship as an entity. The University further recognizes that chapters are not, in fact, organizations of their own and those chapters represent their said fraternity, sorority, or social fellowship. The University reserves the right to take actions against fraternities and sororities individually or collectively when Administrative action is deemed appropriate (see Membership Intake).

General membership in a registered student organization (including fraternities and sororities) is limited to students enrolled for at least twelve (12) semester credit hours at B-CU.

**Membership Intake Regulations**

Recruitment activities can only be scheduled during the period designated by the University and only by those active organizations which are approved members of Greek Life as stipulated in this document. No student may be in a group or organized interest club, pay fees or perform duties or assignments before the new membership intake program and schedule are approved by the University and officially begin.

It is required that all new membership intake activities be coordinated through the Office of Fraternity and Sorority Life. The annual schedule and procedures for new membership intake are determined by the Office of Fraternity and Sorority Life and are provided to the appropriate persons at the designated time or upon request. Only one list of names will be accepted and any organization that processes ineligible persons will be penalized.

No organization may proceed with membership intake before written approval on individual candidates’ academic and judicial status has been received by the Office of Fraternity and Sorority Life. If grade reports appear to be inaccurate, individual candidates should contact the Registrar’s Office; however, candidates must be eligible at time of clearance (including the resolution of ALL holds on a student’s account).

Compliance with University minimum requirements for application eligibility does not guarantee that a student will be selected or voted on for membership into an organization.

**Membership Intake Restrictions**

Perspective Members: To be eligible or considered for membership into any Greek organization, the University requires that a student meet the following criteria:

a) Completed a total of 12 credit hours during the academic semester prior to the intake semester.
b) Received a cumulative grade point average of 2.8 during the academic semester prior to the intake semester.
c) Be currently enrolled in a total of 12 credit hours during the academic semester in which intake is being held.
d) Be in good judicial standing (meaning clear judicial record defined as not currently on probation, suspended or expelled; no case pending, opened or closed within one year of intent to participate
Compliance with University minimum requirements for application eligibility does not guarantee that a student will be selected or voted on for membership in an organization.

Some organizations require a higher cumulative average, giving the option to a chapter to use the University’s minimum requirement. Beyond minimum requirements, organizations have the right to select their members by criteria approved by the national governing body of the organization and accepted by the University as a fair policy. These criteria must be documented in the Office of Fraternity and Sorority Life.

New Member Presentations

a) All new member presentations must be approved by Fraternity and Sorority Life and must take place in the pre-determined location and scheduled timeframe established by Fraternity and Sorority Life

b) All new member presentations must receive written approval by the organization’s chapter advisor and be submitted to Fraternity and Sorority Life as within the University intake schedule.

c) There will be NO EXCEPTIONS to any other time periods or forms of expression (before, during, or after the intake period).

d) No pre or post new membership presentation shows on or off campus will be authorized. Any organization that intentionally disregards this clause will be sent through the judicial process.
